Mon EDS

Das Siegfried-Idyll, eines der wenigen selbständigen Instrumentalwerke Wagners, ist zur Feier der Geburt seines Sohnes Siegfried entstanden und wurde am 25. Dezember 1870, als Morgenständchen für Frau Cosima, im Triebischen Landhaus zum erstenmal aufgeführt. Also, wenn man will, eine »Gelegenheitskomposition«, aber dabei ein Kunstwerk von unerreichter Stimmung, Frische und Klangschönheit. Motive aus der letzten Szene des »Siegfried« blieben das Hauptmaterial der phantasieläufig in freier dreiteiliger Form gebauten Komposition. Der erste Teil ist wie die Exposition einer Sonatenform angelegt (Hauptsatz T. 1—90, Seitensatz T. 91—114); der nun folgende durchführungsartig modulierende und verarbeitende Teil stellt dem Hauptgedanken neu (wie dieser der Schlußszene des Siegfried entnommen) Themen gegenüber (T. 148 ff., T. 259 ff.). Eine stark modifizierte und gekürzte Reprise (eher als Coda zu bezeichnen) setzt mit dem Wiedereintritt der Haupttonart (T. 286) ein und bringt noch eine Fülle neuer thematischer Kombinationen, mit Hinzutritt des »Schlummermotivs« der Walküre (Hoboe T. 287) und der Rufe des Waldvögleins (T. 303 ff.).

H.G.

The »Siegfried-Idyll« numbers among the very few purely instrumental compositions which Wagner wrote. It was composed to celebrate the birth of his son, Siegfried, and its first performance, on December 25, 1870, was in the nature of a morning serenade given for Wagner's wife, Cosima, at the Triebischen country house. It is, therefore, really an »occasional composition«, but nevertheless a work possessed of great beauty, freshness and remarkable »atmospheres«. Motives from the last scene of »Siegfried« furnish the majority of the thematic material of the piece which is a Fantasy in free ternary form. The first part takes the place of the Exposition in the Sonata form (Principal section bars 1—90, Subsidiary section bars 91—114); the modulating part which follows, is in the manner of a Development, and contrasts the principal themes to new motives also taken from the closing scene of »Siegfried« (bars 148 and foll., bars 259 and foll.). A greatly modified and shortened Recapitulation — which might more properly be termed a Coda — enters with the return to the principal key (bar 286); it introduces an abundance of new thematic combinations, joined by the »slumber motives« of the Valkyrie (oboe, bar 287) and the call of the forest-bird (bars 303 and foll.).

H.G.

Siegfried-Idylle, l'un des rares morceaux isolés des œuvres instrumentales de Wagner, a été créé pour fêter la naissance de son fils Siegfried, et fut exécutée pour la première fois le 25 décembre 1870, comme aubade à Madame Cosima, à leur villa de Triebischen. Une œuvre de circonstance, si l'on veut, mais un chef-d'œuvre d'un état d'âme, d'une fraîcheur, et d'un coloris instrumental incomparable. Les principaux matériaux sont tirés de la dernière scène de »Siegfried«. L'œuvre est à la manière d'improvisation de forme tripartite libre. La première partie est bâtie comme la période d'exposition d'une sonate (thème principal m. 1—90, thème secondaire m. 91—114). La partie suivante, genre développement, modulant, oppose au thème principal de nouveaux motifs, tirés aussi de la scène finale de Siegfried (m. 148 s., 259 s.). Un retour notablement modifié et abrégé (plutôt à désigner comme coda) fait revenir le ton principal (m. 286) et nous amène encore une foule de nouvelles combinaisons thématiques, avec l'adjonction des motifs du sommeil de la »Valkyrie« (hautbois m. 287) et les appels de l'oiseau (m. 303).

SIEGFRIED IDYLL

Richard Wagner
(1813-1883)

AN COSIMA WAGNER!

Es war Dein opfermutig hehrer Wille,
Der meinem Werk die Werdestätte fand,
Von Dir geweiht zu weltentrückter Stille,
Wo nun es wuchs und kräftig uns erstand,
Die Heldenwelt uns zaubernd zum Idylle,
Uraltes fern zu trautem Heimatland.
Erscholl ein Ruf da froh in meine Weisen:
Ein Sohn ist da! — der mußte Siegfried heißen.

Für ihn und Dich durst' ich in Tönen danken,
Wie gäb' es Liebestaten hold'ren Lohn?
Sie hegten wir in unsres Heimes Schranken,
Die stille Freude, die hier ward zum Ton.
Die sich uns treu erwiesen ohne Wanken,
So Siegfried hold, wie freundlich unsrem Sohn,
Mit Deiner Huld sei ihnen jetzt erschlossen,
Was sonst als tönend Glück wir still genossen.
